

SEPCO Guillotine Packing Cutter

SEPCO has many options available for cutters and packing hooks. The cutters are available for square, braided backing (see below) and for flat packing (often called gaskets). This guillotine packing cutter easily cuts all styles of packing up to 1-inch in diameter and performs butt cuts or 45-degree angle cuts. It includes mounting screws, wrenches, and stop blocks.

- Kit 1: cuts ¼-inch inside diameter to 12-inch outside diameter
- Kit 2: cuts ¼-inch inside diameter to 24 inch outside diameter
- Kit 3: cuts ¼-inch inside diameter to 36 inch outside diameter
- Kit 4: cuts ¼-inch inside diameter to 48 inch outside diameter
- Kit 5: cuts ¼-inch inside diameter to 60 inch outside diameter
- Kit 6: cuts ¼-inch inside diameter to 12 inch outside diameter
(Does not have a cutting board)
